

PRAMIT KUMAR KAR

Ph: +919073642943 | pramitkumarkar123@gmail.com | Naihati, Kolkata

EDUCATION

B. Tech | Electronics and Communication Engineering | 2024 | Gargi Memorial Institute of Technology

- CGPA: 8.45

CBSE Class 10+2 | 2020 | Kanchrapara Harnett English Medium School

- Percentage: 89.8% (English, Computer Science, Physics, Chemistry, Mathematics)

CISCE Class 10 | 2018 | ST. Lukes Day School

- Percentage: 94% (Science)

SKILLS

Programming Languages:

- Java
- JavaScript
- Python
- Solidity

Technical Skills:

- React JS
- Node JS
- Tailwind CSS
- Blockchain (Smart Contracts)

PROJECTS

- Developed a decentralized Web 3.0 crypto transaction application in ReactJS, designed with Tailwind CSS, leveraging Smart Contracts in Hardhat using Solidity on Sepolia Ethereum network, incorporating MetaMask login and OTP feature via Firebase.
 - Live Link: <https://crypto-z-pi.vercel.app/>
- Engineered an interactive and responsive weather forecasting application using ReactJS, styled with Tailwind CSS, and integrated with the OpenWeatherMap API.
 - Live Link: <https://weather-forecast-app-mu.vercel.app/>
- Created a personal portfolio using ReactJS and Tailwind CSS, featuring live demonstration links to projects.
 - Live Link: <https://personal-portfolio-sigma-blond.vercel.app/>
- Implemented a YouTube clone using ReactJS and Tailwind CSS, integrating the YouTube API from RapidAPI to display real-time likes, views, video duration, and featuring a functional search bar.
 - Live Link: <https://video-streaming-platform-nine.vercel.app/>

TRAININGS

Full Stack Web Development | IntrnForte (IIT Bombay) | 8 weeks

- Successfully completed a comprehensive course in Full Stack Web Development, encompassing HTML, CSS, JavaScript, React JS, Tailwind CSS and Node JS.

HOBBIES

- Motorcycling
